New Cocktail and gin mobile horse trailer - Hello, I am part of Nottinghamshire young farmers myself, but my family are in Derbyshire.

I am 19 and have recently started up a cocktail and gin mobile horse trailer bar on the side to working on the family farm. I can cater for any type of drinks desired.

I just wanted to make myself known, and hopefully you bare me in mind for any events!

Hoping you can help boost my little business,

Free Employment Mentoring - Jacob Vick works as a Youth Development Lead for the Prince's Trust across Derby and Nottingham. I am reaching out to your organisation to see if there is a chance to work with some young people that you interact with.

My primary role as an employment mentor through the Way2Work project is offering free 1-2-1 support for young people (16-30) that are not in education, employment or training. Currently, this

support is delivered virtually through MS Teams meetings. I work with them to develop and personalise a plan to help them improve their soft skills, such as communication and teamwork, and employment prospects, such as producing CVs, completing application forms and interview preparation. Alongside the Way2Work programme, young people also have the opportunity to take part in different programmes focusing on certain careers, such as IT or retail. We are very lucky at the Prince's Trust to have partnered up with some big names, such as Google and M&S, which look amazing on a young person's CV!

The way we start working with young people is usually through referrals, so if there are any young people that your organisation interacts with that you think would benefit from employment mentoring, please don't hesitate to get in touch. The young people can be referred directly to me via email or if you would like to discuss my work more than I am more than happy to arrange a phone call or virtual meeting to answer any questions that you have.

I look forward to hearing from you and I hope we can work together to bring out the full potential of the young people! Kind Regards,

Jacob Vick | Youth Development Lead | The Prince's Trust | Foxhall Business Centre, Foxhall Road, Nottingham, NG7 6LH | Mobile: 07929 188301 Jacob.Vick@princes-trust.org.uk
